WARNING

The legal voters of the Town of West Rutland, in the County of Rutland and the State of Vermont, are hereby warned to meet at the Town Hall in said Town on the first Tuesday of March, being the 7th day of March, A. D. 1967 at 10 o'clock A. M. to act on the following business:

Art. (1) To elect all necessary Town Officers as required by law.

Art. (2) To vote on the following questions:

(a) Shall license for the sale of Malt and Vinous beverages be granted in this Town?

(b) Shall spirituous liquors be sold in this Town?

Art. (3) To act upon the Annual Reports of the Town Officers.

Art. (4) Shall the Town of West Rutland authorize the Selectmen to employ a Town Manager. (By petition). This article MUST BE VOTED BY BALLOT.

Art. (5) To see if the Town of West Rutland will vote to cooperate to join with other towns to create a Rutland County Regional Planning Commission as authorized by (24 V. S. A., Section 2923 et. seq.), and will authorize the Selectmen to appoint one or more members of the Commission from among inhabitants of this Town.

Art. (6) To see if the Town of West Rutland will authorize the Selectmen to use the money appropriated in Art. 4 March 1st. 1966 to defray the Town's share of the expenses of the Rutland County Regional Planning Commission.

Art. (7) Shall the Town of West Rutland, through its Selectmen, adopt the following building ordinance pursuant to Title 24, Chapter 69 Vermont Statute Annotated as amended.

Section 1. No building or structure of any kind, whether business or residential including; junk yard, livery stable, trailer court, rendering plant, slaughter house, tannery, store, office building, hotel, motel, manufacturing establishment, blacksmith shop, gasoline filling station, or other business and residences shall hereafter be built, established or conducted within the limits of the Town of West Rutland, unless approval and a permit is first obtained from the Board of Selectmen on forms to be prepared and furnished by said Selectmen as hereinafter provided.

Section. 2. The Selectmen shall prepare and furnish application forms to be filled out by all prospective builders for permission and approval to build. Said application forms shall contain, among other things, questions pertaining to the type, size, location and cost of construction and any other questions relative thereto which the Selectmen may deem necessary and such forms may be changed from time to time as the Selectmen may deem for the best interest of the town.

APPEALS

Section 3. Any person, either a resident of the Town or an applicant, who feels aggrieved, by a decision of the Selectmen in either granting or refusing a building permit may within 10 days appeal in writing to the Board of Civil Authority of said town, who shall have the right to hear all parties of said appeal and render a final decision thereon, within 30 days from the date of filing said appeal with the Clerk of said Board of Civil Authority, and all proceedings including the construction or building in question shall be stayed pending the outcome of said appeal.

Section 4. The Selectmen shall have the right to appoint a building inspector, when and if they deem it necessary, and fix his compensation, whose duty be to see that the provisions of this ordinance are carried out. The said building inspector shall serve at the pleasure of the Selectmen to whom he shall be answerable. The Selectmen shall have the further right to change and amend these ordinances from time to time if in their judgment the best interest of the town will be served, or requires such changes.

Section 5. Any person who violates any provision of the preceeding sections, regulations or ordinance, may be fined not more than \$100.00 for violation. Each day of violation to be considered a new violation.

Section 6. These ordinances shall become effective upon adoption thereof by the voters of the Town of West Rutland at a meeting duly warned for that purpose.

Art. (8). Shall the Town vote to accept an ordinance as adopted by the Selectmen to provide for the regulation and licensing of all parks for trailer coaches or mobile homes as follows;

1. Purpose. The purpose of this ordinance is to provide certain minimum standards for the licensing and regulation of trailer coach and mobile home parks in the town of West Rutland.

2. Definitions.

- A. As used in this ordinance, the word "person" shall be construed to include any individual, partnership, firm, company, corporation, owner, lessee or license or their agents.
- B. "Licensee" means any person licensed to operate and maintain a trailer park or mobile home park under this ordinance.
- C. "Licensing authority" means the town of West Rutland.
- D. A "trailer coach" is similar to a mobile home but is not equipped with sanitary facilities, bath and toilet.
- E. A "mobile home" is a home which is mobile, a unit similar to a trailer coach, and is equipped with running water and sanitary facilities, bath and toilet.
- F. A "trailer park" is land upon which two or more trailer coaches are parked and occupied for camping or living purposes.
- G. A "mobile home park" is land upon which two or more mobile homes are parked and occupied for living purposes.
- H. "Town clerk" shall also mean "city clerk" or "village clerk".

3. Trailer, mobile home parks; license. No person shall maintain or operate within the limits of the licensing authority, any trailer or mobile home park unless such person shall first obtain from the licensing authority a license therefore. All trailer or mobile home parks in existence upon the effective date of this ordinance shall within ninety days thereafter obtain such license and shall comply with the requirements of this ordinance, except that the licensing authority shall, upon application of a park operator, waive such requirements that require prohibitive reconstruction costs if such waiver does not alter the sanitation requirements herein provided.

4. Fees. The clerk of the licensing authority shall charge an annual license fee as determined by the legislative branch of the municipal corporation provided, in case of overlapping jurisdiction within a town, only one license fee per annum may be imposed, and that by the town. The period covered by the license fee shall be from April 1 until the following April 1. The licensing authority shall charge a fee for the transfer of the license in the amount of \$3.00. The license fees herein provided for in this subdivision of this ordinance shall be in lieu of all inspection or other fees and all other local taxes except real estate taxes.

4a. Location. All parks shall not be located less than one quarter mile from any residential area.

5. Application for license. Original applications for a trailer or mobile home park shall be filed with the clerk of the licensing authority and said application shall be in writing and signed by the applicant. This application must contain the following:

- A. Name and address of applicant,
- B. The location of the trailer or mobile home park,
- C. A complete scale drawing of the proposed park,
- D. A complete listing of all utilities and sanitation facilities.

Any renewal application shall contain such information as the licensing authority deems necessary.

6. Park requirements. Each park shall conform to the following requirements:

- A. The park shall be located on a site, graded to insure proper drainage of surface water, subsurface water, sewage and freedom from stagnant pools.
- B. A minimum of ten thousand square feet shall be provided for each mobile home or trailer coach space.
- C. There shall be a minimum of fifty feet clearance between each mobile home or trailer coach and either shall be set back fifty feet from road.
- D. All spaces shall abut upon a roadway of not less than fifty feet in width.
- E. In all trailer or mobile home parks, roadways shall be well drained, and at least eighteen feet in width shall be graveled, hard surfaced or paved, and maintained in good condition and be lighted at night.
- F. Each mobile home space shall have water connection, sewage and electrical outlet.

7. Same; garbage; rubbish disposal. In trailer or mobile home parks garbage cans and rubbish cans must be provided with tight fitting covers or an incinerator or other means of disposal approved by the licensing authority. Adequate garbage and rubbish collection must be provided.

8. Same; bath, toilet facilities. In any park where trailer coaches are allowed there must be a sufficient number of bath and toilet facilities for the occupants of such coaches, and which shall meet the minimum requirements of state board of health.

9. Same; fires. No open fire shall be permitted except in specified areas approved by local authorities.

10. Records. The licensee shall keep a register of all trailer coaches and mobile homes in his park and said register shall be available for inspection by law enforcement officers, public health officials and other officials whose duties necessitate acquisition of the information contained in the register. The register records shall not be destroyed for a period of three years following date of registration.

11. Revocation of license. The town of West Rutland licensing authority may revoke any license to maintain a trailer or mobile home park when the licensee has been found guilty, by a court of competent jurisdiction, of violating any provisions of this ordinance. After such revocation, the license shall be reissued if the circumstances leading to conviction have been remedied and the park is being maintained and operated in compliance with this ordinance.

12. Inconsistent ordinances repealed. All ordinances inconsistent with or contrary to the provisions of this ordinance are hereby repealed and nothing in this ordinance shall be interpreted so as to conflict with state legislation regulating mobile home or trailer parks.

13. Violation of ordinance; penalty. Any person found guilty of violating this ordinance or any provision hereof, shall be deemed guilty of a misdemeanor and shall be fined not less than \$5.00 nor more than \$15.00, and each day

such violation exists shall be construed as a separate offense and shall be punishable as such hereunder.

Ordinance effective, when

Such ordinance shall become effective when approved by a majority of the legal voters of the town present and voting on the question at a regular or special meeting thereof duly warned for the purpose. The ordinance shall be effective in cities and incorporated villages when established as provided for the adoption of an ordinance in the charter thereof.

Art. (9) Shall the Town vote a tax on the Grand List for expense on selected roads and cost of maintaining and repairing Town Highways, and if so, how much?

Art. (10) Shall the Town vote a tax on the Grand List to pay debts and defray expenses of the Town, and if so, how much?

Art. (11) Shall the Town vote to authorize the Selectmen to borrow money to meet demands of current expenses of the Town until funds can be realized from taxes?

Art. (12) Shall the Town vote a tax on the Grand List for Library Expenses, and if so, how much?

Art. (13) Shall the Town vote to appropriate the sum of \$100.00 for payment of expenses for the proper observance of Memorial Day?

Art. (14) Shall the Town vote a tax on the Grand List for Recreation of the Town children, and if so, how much?

Art. (15) Shall the Town vote to direct the Listers to set the polls of all inhabitants in the Grand List at \$1.50?

Art. (16) Shall the Town vote to exempt from taxes, for a period of ten years, ALL AND ANY NEW WORKSHOPS, FACTORIES and MILLS in same, whose construction will begin in A. D. 1967, and will employ 25 or more persons who are taxpayers in West Rutland?

Art. (17) Shall the Town vote to exempt from taxes, for a period of three years from date of this meeting, ALL BUILDINGS whose construction will begin A. D. 1967 and USED AND OCCUPIED EXCLUSIVELY AS A HOME BY THE ORIGINAL OWNER(S) and appraised by the lister at a market value EXCLUSIVE of land, at NOT MORE than \$15,000.00 and NOT LESS than \$5,000.00. Said EXEMPTION being limited to ONE TRANSACTION within any 10 year period?

Art. (18) Shall the Town vote to pay current taxes direct to the Town Treasurer, and if so, on what dates?

Art. (19) To transact any other business deemed proper, not involving the expenditure of Town Funds or any business acted upon in the preceding articles.

Ballot boxes for the election of Town Officers will be open at 10 o'clock A. M. and closed at 6 P. M. Taxpayer business meeting for 1967 will be held at 8 o'clock P. M.

FRANK J. BRUNO,
EDWARD M. FABIAN,
CHESTER P. GODRICK,
Selectmen.

TOWN SCHOOL DISTRICT WARNING

The legal voters of the Town School District of West Rutland, in the County of Rutland and State of Vermont, are hereby warned to meet at the Town Hall in said Town on the first Tuesday of March, being the seventh day of March, A. D. 1967 at 10 o'clock A. M. to act on the following business:

1. To elect all Town School District Officers as required by law.
2. To see if the Town School District will vote a tax on the Grand List to pay debts and defray the expenses of the Town School District, and if so, how much.
3. To see if the Town School District will vote a tax of four cents on the Grand List to be used SOLELY for athletic purposes.
4. To see if the Town School District will authorize the Board of School Directors, or other proper officers, to borrow money to meet the demands of the current expenses of the Town School District until funds can be realized from current taxes.
5. To see if the Town School District, voting by Australian Ballot, shall authorize the Board of School Directors to borrow a sum not to exceed \$77,000.00 for the purpose of renovating and improving the heating and ventilating systems of the West Rutland School according to engineering plans already submitted to and having preliminary approval of the State Department of Health and of the State Department of Education. Approval of this article will bring the heating and ventilating of the West Rutland School to current health standards and will qualify the Town to receive State Building Aid on eligible portions of the project, and will authorize a tax of \$.29 on the Grand List and will authorize payments of principal and interest to be included in Regular School District Budget, 1968 through 1971.
6. To act upon any other Town School District business which may legally come before the meeting.

NOTE EXPLAINING ITEM 5:

	Prin.	Int.	Total	Estimated costs are as follows:	
1967	\$15,400	\$2,272	\$17,672	Heating and ventilating renovations.....	\$85,226

	H. S. Humphrey	
	A. W. Socinski	

TOWN MANAGER'S ANNUAL REPORT

With experience gained in municipal management several factors will be mentioned in this report and later that point to the need for some governmental reorganization.

The Fire District and School District operate separately from each other and from the town. This condition is costing you not only dollars but lack of efficient and good administration. Besides other necessary consideration for gradual improvement, it must be our goal to combine at most into two municipal districts. This job will not be accomplished easily. It will take careful consideration and careful understanding of the facts before being attempted.

The challenge in West Rutland is not and should not be a challenge to the Manager alone, but of every interested citizen in town. There have been changes in administrative procedures and there will be more as time passes. Like everything else, our town affairs and needs are changing, new requirements, demand for more and better services and improvements.

The Town Administration bears heavy responsibility in providing capable administration of daily town affairs and good financial control of town income and expenditures. The budget system presently in force is an excellent system and one which will enable a consistent and stable tax rate to be offered the taxpayers year in and year out.

FINANCE

There has been a continuing improvement of reducing the town's indebtedness this year. The town ended the year with a deficit of \$35,068.80 reduced from \$71,477.49 as of December 31, 1964.

The amount of delinquent taxes is the most serious problem in budgeting income. As tax collector up to this point I believe that taxpayers on the delinquent list have been given reasonable consideration, but in most cases no cooperation has been forthcoming, so the only alternative will have to be property sales and a listing of all delinquent Poll Taxes be sent to Montpelier so as to continue suspending Motor Vehicle Operators licenses for non-payment of poll taxes.

Welfare still is a heavy burden on public management with hospital and doctors bills taking a large portion of the budget.

HIGHWAYS

In highway construction and maintenance we have continued the policy of improvements that will ease the winter and wet season road problems.

The demands for highway improvement are always far in excess of what we desire to contemplate in our planning. In most cases the demands are reasonable and will add to the valuation of the town.

Following is a resumé of the work done on our highways during the past year.

CONSTRUCTION

Town Development: Over 800 feet of 18 inch culvert pipe in addition to four catch basins were installed on Meadow Lane and Clarendon Road.

Northerly end of Whipple Hollow Road: Road rebuilding was continued for over a quarter of mile toward Pittsford. Trees were cut, stumps and large stones removed, road widened, ditched and drainage set. Sub base placed and finer gravel on surface.

West Hollow Road: The road was widened starting at the Castleton River Bridge, the trees were cut and seven 15 inch culverts set to control run off. Base material placed with fine gravel for surfacing.

A few small gravel jobs were done, also improved ditching, and brush cutting.

The continuing program of retreatment of hard surfaced Town and State-Aid roads was completed as had been planned early in the year.

The changes of the labor market over the last several months indicates that unless a person is involved in such matters they wouldn't be aware of the problem faced. To attract competent help it has been necessary to revise our pay scale with additional benefits of paid holidays, portion of insurance and paid vacation included.

OTHER ITEMS OF CONSIDERATION

We were unable to get our sidewalk contract job started this year so that no sidewalk appropriation will be asked for in 1967 or until the last year appropriation is used for sidewalk work.

The Upper Castleton River Watershed Project surveying has been completed and a plan is in preparation expecting to be

completed this spring for all local Towns involved to consider individually.

After two years of participating and helping develop the I. B. M. bookkeeping system, for Towns with the University of Vermont Research project, the pilot project is to be continued for a third year with improvements due to the use of a new computer that can perform functions that could not be done previously.

The local planning project was held up due to the fact that the Town of West Rutland was considered to be in an urbanizing area including Rutland Town and Rutland City, by the Federal Government. In order to get any Federal help on our sewerage project, the Town of West Rutland has to be involved in a regional plan, therefore serious consideration should be given to voting affirmatively on the articles in the warning, the other two articles pertaining to trailer parks and building permits should be given serious consideration as local planning is also necessary to plan and develop your Town in orderly progressive fashion so that apathy will not reign for a conglomeration of haphazard development in Town until Regional Planning is in effect.

Your Manager has attended four conferences this year at his own expense, these being the two State Managers Conferences, The National Meeting of Managers and a two day Vice Presidential Conference of Municipalities in Washington D. C. at the invitation of the Vice President of the United States. All of these meetings provided a great amount of information and guidance to all Managers.

The property revaluation by State personnel has been completed as voted at the annual meeting.

There is a definite need for added Police work which is not covered in the budget.

I would like to express my sincere appreciation to all the citizens for their cooperation, suggestions and criticisms that helped to make the Town a better place to live. Every effort is made to try to be courteous and cooperate with all of our citizens. In the final analysis it is you who can best judge the measure of success.

Respectfully submitted,

GEORGE W. MEGRATH,
Town Manager

SELECTMEN'S PROPOSED BUDGET FOR 1967

RECEIPTS

	Budgeted 1966	Actual 1966	Anticipated 1967

VERMONT STATE DEPARTMENT OF HEALTH ANNUAL TOWN REPORT, 1966

This is a report to the residents of your town describing the health services which have been rendered during the state fiscal year July 1, 1965 through June 30, 1966. These services are carefully planned so that maximum benefit may be gained from each tax dollar. For instance, one clinic may serve many towns if the number of patients is small. On the other hand, when a service is needed in a town or city, we make every effort to provide it.

I invite you to discuss this report with your friends and health officer and I would welcome any impressions which you care to forward to me.

The following is a list of some of the health services to the residents of West Rutland:

Attendance at well child conferences	229
Number of children given diagnostic services at hospitals	1
Number of children financially aided with hospitalization	1
Number of children aided at handicapped children's clinics for speech, hearing, orthopedic, plastic, neurological, or cardiac problems	8
People X-rayed for tuberculosis detection	13
People X-rayed for occupational diseases	26
Attendance at tumor clinics	3
Attendance at diabetes clinics	39
Diphtheria, Tetanus, Whooping-cough immunizations	177
Polio Immunizations	43
Smallpox immunizations	55
Measles immunizations	4
Number of water samples tested (private & public supplies)	36
Blood specimens (pre-marital, pre-natal, and other)	68
Other laboratory specimens	24
Nutrition, dietary consultations to institutions, groups, and individuals	1
Sanitary inspections, consultations (food & lodging, camps)	22
Water, sewage disposal, public buildings & other inspections	25
Hospital and nursing home inspections and consultations	2
Public Health Nurse home visits	194
Number served by Public Health Nurse visits	53

Respectfully submitted,
R. B. AIKEN, M.D., M.P.H.
Commissioner of Health

VERMONT DEPARTMENT OF SOCIAL WELFARE
Montpelier, Vermont

This thirty first in the series of annual reports submitted to the people of West Rutland presents tabulations for the calendar year 1966. In the Department of Social Welfare's program of assistance to the aged, blind or disabled 30% of the costs of hospital and physician services, as well as the excess over \$80.00 per month in Nursing Home Care, are assessed against the town of settlement of the recipients of such care. Participation charges incurred by your community during the past year for each of these types of care were as follows:

Nursing Home Care	\$1,733.22
Hospitalization Services	\$1,715.62
Physician Services	\$ 100.65

Under similar settlement provisions town participation in the program of Aid to Families with Dependent Children is at the rate of one-eighth the assistance grants while costs incurred for the care of Committed Children are borne equally by the local and state agencies. Charges assessed against your community for the former amounted to \$517.28 and for the latter \$1,370.20 for the year just closed.

During 1966 assistance was granted to 26 residents in your community under the Aid to the Aged, Blind or Disabled program. Direct money payments to these persons were financed entirely out of state-federal funds. Among the other programs financed from these same sources were Services for the Blind, Adoption Services, Medical Aid for the Aged, and Medical Assistance. While no town-by-town records are compiled for these categories, their benefits were available to all qualified residents.

Respectfully submitted,

JOHN J. WACKERMAN,
 Commissioner of Social Welfare

SUPERINTENDENT'S ANNUAL REPORT

West Rutland, Vermont

The voters of West Rutland have been asked the past two years, and will be again this March, to approve numerous expenditures in the name of meeting Minimum Standards for Vermont Secondary Schools. Since these standards are to go into effect as of September, 1967, a summary in table form is included with this report. The items marked by a star indicate those standards we meet as a result of staff added and building modifications made since July, 1964. The townspeople and your school directors deserve genuine credit for the actions of voters which have made such significant improvements and progress possible.

On that same form, items marked with the number sign (*) are the areas in which we can meet the standards with the added staff and equipment included in the proposed 1967-1968 budget. We must have a full-time guidance counselor, full-time librarian and additional coverage in physical education. We now have approximately one-half-time coverage in these areas. An additional grade four teacher will also be required since there will be two sections of grade four for the first time this year.

These added staff requirements cause the salary item budgeted to increase an estimated 3 1/2 teaching positions, or about \$19,250. By bringing in the anticipated new staff members at near-beginning or beginning salary levels, the average of all teachers' salaries for 1967-1968 will be only slightly above the average for 1966-1967.

Worthy of comment are the following items:

\$1860 worth of new instructional equipment which we could not purchase out of the local budget has been assigned at no cost to the West Rutland School through the summer Title I Project

Efforts to get the secondary program to meet secondary standards may, begin with 1968, qualify West Rutland for increases in State Aid we do not now receive. West Rutland's effort in support of its schools has risen from 230th place in 1964 to 219th in 1965 and to 204th in 1966, an advance of 26 places in our standing among all towns in the state. The town is to be congratulated on that accomplishment!

We anticipate our 1967-1968 staff, like our present one, will be nearly 100% fully certified—an outstanding credit to the school and town!

Our new industrial arts shop is growing in contributions to students, if not in space!

Our 1967-1968 requests for special equipment will emphasize assistance to our business education students. They have long received less than a proportionate amount of furniture, equipment and financial support.

A full time woman physical education instructor for 1967-1968 will permit extension of regular gym classes for both boys and girls to grades 1/6.

The arrangements with the Rutland City Vocational School have provided 15 students valuable experiences. We are proud of the way they have learned and worked in the vocational courses. One half of our tuition and transportation expenses for these students is reimbursed by the state.

Our 1967-1968 requests will assist us, if granted at Town Meeting, to begin to meet the soon-to-be-set standards for elementary schools.

Students taking College Board Examinations have increased their scores in the verbal tests, on an average, 200 important points. Students and teachers deserve hearty congratulations!

New reading and phonic techniques introduced in the elementary grades and taught skillfully (after the teachers themselves spent hours and hours in study) are bringing exciting new progress among our youngest students.

In the planning stage is sequential organization of curriculum areas (English, math, science, history, etc.) from grade one through grade twelve.

Our athletic boosters have provided a fine and much used whirlpool. Thank you! And thanks to John Przybylo and John Wasik for generous, patient efforts in nursing our heating system through numerous emergencies! The third bouquet of thanks goes to all school lunch volunteers: You're great!

All of these are "happenings" of the last two or three years. They have been made possible because of the sincere interest in providing good education for all youngsters, long a goal of your

school directors. None would have been possible without townspeople's support of the budgets, without the capable staff and program maintained so admirably for so long by Mr. Frank Hinchey, nor without the skill and energy of Mr. Timbers and his present, entire staff.

Now we turn to the future. We shall be crowded in our elementary grades, as you well know. But an exciting proposal seems to be a solution which, if not desirable in all aspects, has some distinct academic advantages to offset other disadvantages.

Faced with these alternatives: a) provide a temporary (relocatable or mobile) classroom or to rent outside space; b) close down school lunch and use the cafeteria space as a classroom; c) "find" space in the building; — faced with those alternatives, the following is now recommended:

Run the four classes in grades I and II on split sessions. Ask the four teachers to serve in school a normal-length school day. This way, two rooms will be used instead of four! We do these things:

- 1) Have two teachers and two classes begin at approximately 8:00 a. m. The classes would be dismissed at 12:10, thus meeting state time standards.
- 2) The two afternoon-session teachers will report to school at about 10:30. They will assist the morning teachers with extra-help work with students, as they plan it together, until dismissed.
- 3) The other two class sections come to school at 12:30 p. m. and will be dismissed at 4:40, also meeting time standards.
- 4) The morning teachers assist the afternoon students a similar period of 100 minutes before their day at school is over.
- 5) We also gain the use of one room for the added grade four, and can use the fourth room made available for additional class work, such as in art and mechanical drawing. This will permit us to add a required class in art for the high school students.

Thus each first and second grade pupil will have one full-time teacher plus the second teacher's help for 40% of each day's classes. We feel this can offer a distinct advantage in meeting individual needs at the crucial first and second grade levels. We expect no additional expense to the town unless additional transportation should be needed.

This solution, plus the hoped-for improvement in heating and ventilation, the equipment so urgently needed in the business education department, and the meeting of the last anticipated fairly large science department requests, plus the new staff to help us "over the top" in meeting standards—all these are a large order for the townspeople.

The alternatives are possible—even probable—rejection as an approved school; such rejection, some say, would result in loss of State Aid entirely. There would also be danger in the age and inadequacies of our heating plant.

The citizens of West Rutland have responded these past two years with their significant support. Your Superintendent strongly hopes you, too, will feel pride in what has been done by many in support of all our children; a continuation of this support will, we believe, enable us to meet the current Minimum Secondary Standards and to move onward in our vital educational tasks.

You have my thanks; you carry all our hopes.

GEOFFREY GRAHAM,
Superintendent

1967-1968 HOW WE'LL STAND: SECONDARY MINIMUM STANDARDS

Category	Comments
A. ADMINISTRATIVE AND SUPERVISORY PROVISIONS	
1. Length of School Year	Meet Standards
2. Length of School Day	Meet Standards
3. Administrative and Supervisory Load	Meet Standards

NOTE: We hope and expect our staff and courses will meet minimum standards; we hope that, while the board members and citizens are taking part in studies to solve critical space problems, we may be approved "on condition" that those space problems be resolved in the near future.

*Standard met in last three school years. (12 of total of 31 items)

Standard will be met by 1967-1968 planning. (7 more of the total of 31 items)

SCHOOL REPORT FOR 1966-1967

(Nurse)

On February 28, I started checking the pupils at the Main Street School, St. Stanislaus School and Kindergarten.

Health records are kept for each child and parents are notified of any defects.

On April 7, I attended a School Nurses Meeting at Junior High in Rutland.

On April 29, a clinic was held at Main Street School. Dr. Wm. O'Rourke was the attending physician, Public Health Nurse was Mrs. Nancy Davis, School Nurse Mrs. Esther Nelson, Recorder was Mrs. Valentine Drzewiczewski.

There were 84 students who took advantage of this clinic.

Diphtheria and Tetanus	72
Re-Vaccinations	22
Oral Sabin	1

On May 2nd the Dental Program was completed.

High School—	Cleaning and Floride	15—Cleaning	8
St. Stanislaus—	" "	63	22
Public Grade School—	" "	96	24
Kindergarten—	" "	19	2
Pre-Kindergarten,	" "	17	6

September 19, the Dental Program started. On September 23, permission slip for the Dental Program and Vitamins were sent home at St. Stanislaus. On September 29, permission slips for Dental-Program and history sheets were sent home for Kindergarten.

October 14, I attended the Nurses Convention in Burlington.

October 21, I started individual Audiometric testing. I found one pupil with a hearing loss, and he is to receive further testing.

On November 7, A measles Vaccine Clinic was held at Main St. School, Vaccine was offered to Kindergarten first and second grades in both schools.

Dr. Wm. O'Rourke was the attending physician. Public Health Nurses were Mrs. Nancy Davis and Mrs. Charlotte Steele, School Nurse Mrs. Esther Nelson.

There were 40 children who attended this clinic.

On December 9, I attended an all day Nurses Meeting in Essex Junction.

School Conferences are held under the supervision of the Vermont Department of Health.

Children hurt during the school session, that require a doctors care or X Rays, have been taken care of by the School Nurse.

In January, 1967, I received a check for \$50 from the Rotary and \$12.80 from the students in grade eight.

On May 12 a clinic was held at Main St. School. Dr. Emmett Fagan was the attending physician. Public Health Nurse Mrs. Nancy Davis, School Nurse Mrs. Esther Nelson, Recorder Mrs. Valentine Drzewiczewski, and Helpers Pamela Pendriss and Janice Leffeingwell.

Pupils	26		
Physicals	4		
Vaccinations	5		
Re-Vaccinations	8		
Diphtheria and Tetanus Booster	16		
Oral Sabin Type # 1—2	Type # 2—1	Type # 3—2	
Trivalent # 1—3	# 2—1		

On September 6 school started with a half day session. There were 617 students registered in Main Street, St. Stanislaus and Kindergarten.

In September, Vitamins were distributed to any child in the grades if their parents so desired. These vitamins are furnished by the Parent-Teacher Association. St. Stanislaus school pupils also receive vitamins, each child pays for his own.

Pre-school children also have the advantage of these vitamins. On September 13, permission slips for vitamins were sent home. September 16, vitamins were distributed to all the grades.

September 16, permission slip for the Dental Program at the Main St. School were sent home.

This money was used for free lunches. There were 33 children who received free lunch for 1 week.

There have been numerous cases of colds, grippe and sore throat.

There were fifty calls made and numerous phone contacts. Dental Program so far:

Main St. Cleaning—	Cleaning and Fluoride	80	Cleaning	17

REPORT OF MANAGEMENT OF FIRE DISTRICT FOR YEAR ENDING NOVEMBER 30, 1966

The Prudential Committee of Fire Dist. #1 wishes to report on the operation of said district.

During 1966, 15 acres of timber stand improvement was Marked and completed under the Agricultural Stabilization and Conservation Program. This work consisted of girdling cull hardwood for release in established pine plantations and Natural softwood areas.

Marking for a small sawlog sale has been started in the southeast corner of the forest. This marking was designed to salvage overmature Material and Beech infested with Beech scale.

The marking and supervision of this work is administered by the Dept. of Forests and Parks under its Municipal Forest Program.

Another 15 acres will be done this next year.

The Well pump and motor were removed and were completely overhauled along with all necessary repairs.

The company spent extra time in redeveloping the well after chemical treatment as the well was not producing satisfactorily before work was started. After all operations were completed, the improvement was 700% with a 165% improvement above original well installation in 1957.

The financial position of the Fire Dist. is in good standings. All one year notes paid in full with only six serial notes at \$1500.00 apiece, leaving a total of \$9000.00 to be paid on the Pleasant St. Project.

The fire dist. is starting the next year with a cash balance of \$3014.42.

Barring some unforeseen expense, some badly needed repairs in the distribution system can be made the coming year.

Webster Martin Corp. of South Burlington, are preparing details for a preliminary plan of the distribution system and possible additional reservoir.

JOE CHRUSIEL
P. J. PHALEN
GEORGE W. MEGRATH
